Subject: Regarding correction in result of final year passed Student.

Respected Sir/Mam,

With reference to above subject, a student of our college Mr. Harshvardhan V. Patil has successfully completed B. Pharmacy from Dr. Shivajirao Kadam College of Pharmacy K. Digraj in the year 2021.

The student was admitted for B. Pharmacy in the year 2016 which had Shivaji university syllabus and did not have any credit point system but later the student was year down (year: 2017) and then again enrolled in the year 2018, but now the syllabus was change and was as per PCI (Pharmacy Council of India) which consists of credit point system. The PRN for the first two semesters Sem-I and Sem-II of student was i.e. 2016096110 and the PRN was change i.e. 2018101228 after the student was reenrolled according to PCI syllabus for rest of the semesters.

So now due to change in syllabus and credit point system there is error in the result of the student which needs to be corrected so please look into the matter and provide guidance regarding the same.

Subject : Reducing 20 % part of syllabus for **Semester-I examinations** in the academic year 2020-21.

Respected Principals,

Apropos cited subject, I would like to take your attention towards Point no. 6 discussed in the Virtual meeting of SUPPA on Thursday, 18th February 2021. As per the resolution by Govt. of Maharashtra and guidelines suggested by UGC; it has been advised to reduce 20 % part of syllabus for Semester examinations in the academic year 2020-21.

So herewith, I am directed to communicate and ask for the suggestions from you, which part of the syllabus can be considered for the 20 % reduction from syllabus of all subjects of **SEM I** for the Semester examination 2020-21.

It is expected to communicate your opinion in attached proforma with the specified name of an Unit or a Chapter or Practicals as earliest as possible on/before 22-02-2021 to this email.

Thanking You.....!

Dear Sir/Madam,

As discussed at SUPPA forum, we need to reduce the syllabus of 8th Semester. There are 02 (two) compulsory subjects & 10 (ten) elective subjects. In order to make it convenient for examining authority, all respected Principals are requested to allocate these 12 (twelve) subjects to faculty members & take their expert opinion regarding reduction of 20% syllabus. All are further requested to complete this task **on or before 23rd February 2021**. Please note that every allocated teacher has to fill a separate Google form in this regard.
