Title of the Event /Activity / Camp	No Smoking Day Celebration
Conducted Date	09/03/2022
Number of Participants	48
Inside Campus / Outside Campus	Outside

Summary of event:

No Smoking Day is observed every year on the second Wednesday of March to let people know about the massive side effects of smoking and encourage them to quit it. This year, No Smoking Day is being observed on March 9th, 2022. The main goal of this day is to raise awareness about the detrimental health impacts of smoking and other forms of tobacco intake. The important message is to assist smokers in quitting their harmful habit. College has celebrated **No Smoking Day** on 09th March, 2022 by arranging rally in Kasabe Digraj village to highlight the signs & symptoms by Active & Passive smoking on the body. Mr. R. Ardad sir has explained history, objective & popularization of no smoking day. Mr. R. Ardad sir explained the number of harmful contents like Butane, Cadmium, Stearic acid, Toluene, Nicotine, Ammonia, Arsenic, Methanol etc and its consequences on health that are present in cigarette.

REPORT

Title of the Event /Activity / Camp	Swachhata Abhiyan
Conducted Date	02/10/2021
Number of Participants	Second Year Students
Inside Campus / Outside Campus	Outside

Summary of event:

A beautiful initiative taken by the Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj Tal-Miraj Dist-Sangli, on tis Clean India Campaign. The students proposed taking up an agenda of cleaning the area around the school which is located in Digraj village. Because in this village there is increasing the number of covid and dengue patients, so to avoid or minimize the infection and maintain healthy environment surround the school area students came up with this agenda as a symbolic initiative in regard to Swachhata Abhiyan during covid pandemic. On the morning of that day students of B. Pharmacy class Second year started their work of cleaning the village area.

Title of the Event /Activity / Camp	Tree Plantation
Conducted Date	28/07/2021
Number of Participants	Second Year Students
Inside Campus / Outside Campus	Inside

Summary of event:

Trees contribute to their environment over long periods of time by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe. The NSS unit of the institute had organized Tree Plantation on 28th Nov, 2021 at Dr Shivajirao Kadam College of Pharmacy Kasabe Digraj. Volunteers planted 70 trees from 10.00 am to 12.30 pm.

Report on celebration of World pharmacist day 2019

World Pharmacists' day was celebrated at the dr. Shivajirao Kadam college of pharmacy, Kasabe Digraj sangli on 25th Sept 2019 to advocate and appreciate the role of Pharmacist in improving health conditions around the world. The day was celebrated with tremendous joy by all staff as well as the students of the college. At the beginning of the function Prof D.D. Chougule presented Key notes and discussed various activities organized by the college on the occasion of World Pharmacist day. He explained theme for this year of Pharmacist day i.e. "Safe and effective medicine for all". The students and members of faculty then took the Pharmacist's Oath collectively to remind their role towards the society and health care system. To celebrate the day the college organized blood donation camp in the campus. Students showed great enthusiasm to be a part of the events and successfully accomplished their goal.

The valedictory function was held after the events. More than 30 students from B. Pharm and D. Pharm took part in the blood donation program. The programme ended with a vote of thanks and pledge of national anthem.

Summary of program:

A very auspicious tree plantation program was organized in our college on the occasion of World Environment Day 05/06/2019 to create an awareness regarding climate change and its adverse effect on us. The program started very early at 9:00 am. A range of 50 plants were planted in the school garden and periphery of the college playground to create an awareness about saving trees. Students of third year B. Pharmacy participated in the program. Students have voluntarily brought plant saplings. We as a college pledged to plant as many trees as possible near our areas so as to create a very healthy environment and contribute in minimizing the climatic changes. We hope that everybody plants a tree in their lifetime and contribute in conserving the nature. The program ended with vote of thanks by Mr. Aaditya Chayani to principal sir and school staff in supporting us for this noble cause.

Summary of Awareness Program:

College has organized Swachhata Abhiyaan Programme on the occasion of Gandhi Jayanti on 2nd October 2017 at 10.30 am. The main purpose of this programme was to create awareness among the students regarding Cleanliness and its benefits. Under this programme, all the students from first- and second-year B. Pharm participated with great zeal and zest. Even teachers and sweepers of the college were the essential part of this drive. As a part of this cleanliness drive, we had to clean the whole college. All the students seemed happy to participate in such an awareness driven-program and felt that they somehow contributed something to the society.

Summary of program:

In order to promote environmental sustainability and raise awareness of the value of trees in our ecosystem, a tree planting event was held on 28th July 2017 at the Dr. Shivajirao Kadam College of Pharmacy, K. Digraj, Sangli. Students from first year and second year class participated in the event. Total 20 plants from different endangered species were planted. The tree plantation event was successful in achieving its objectives of promoting environmental sustainability, raising awareness, and engaging the community in environmental conservation. The efforts made by the participants and volunteers will have long-lasting benefits for the local ecosystem and contribute to a greener and healthier environment. Continued monitoring and care of the planted trees will be crucial to ensuring their long-term survival and growth.
