1. This electronically generated score card is the official result declared by NTA and does not require any signatures.

2. The NTA Score indicates the percentage of candidates that have scored EQUAL TO OR BELOW (same or lower raw marks) candidates. The NTA scores of a Candidate have been calculated as follows:

<u>100 X Number of candidates appeared in the examination with raw marks EQUAL TO OR LESS than the candidate</u> Total number of the candidates appeared

NTA score is not the same as percentage of marks obtained.

3. A National Merit Ranking (All India Rank) has been arrived based on the Marks secured against Total Marks. In case total marks are same for more than one candidate, the ranking has been done on marks obtained in Pharmaceutics, Pharmaceutical chemistry, candidates having less negative responses and candidate older in age.
