

Academic Year: 2017-2018 to 2021-2022 (5 Years)

Action Taken Report on Feedbacks Analysis

The feedbacks were collected from different Stakeholders such as

- 1) Students Feedback
- 2) Teachers Feedback
- 3) Alumni Feedback
- 4) Parents Feedback
- 5) Employers Feedback

All the class teachers were instructed for the collection of the feedback form from B. Pharmacy students during each academic year by the Principal. Our institute used to receive feedback manually, however starting in 2019-20, feedback was accepted online via the Vmedulife platform. Throughout each academic year, academic in-charge analyse and assesses feedback from different stakeholders like students, teachers, alumni, parents, employers etc. The details of feedback analysis have been discussed in the faculty meeting held along with the Principal during each academic year. The Principal also directs faculty members to make the necessary modifications and offers further corrections and recommendations.

Based upon feedback requirement college decide the plan of action to improve the gaps and problems and to implement appropriate changes to do as per requirements. Based on feedback requirements, college plans to do as follows:

Action Taken Report on Feedbacks Analysis

Academic Year 2021-2022

Throughout each academic year, academic in-charge analyse and assesses feedback from different stakeholders like students, teachers, alumni, parents, employers etc. The details of feedback analysis have been discussed in the faculty meeting held along with the Principal during each academic year. The Principal also directs faculty members to make the necessary modifications and offers further corrections and recommendations.

Based upon feedback requirement college decide the plan of action to improve the gaps and problems and to implement appropriate changes to do as per requirements. Based on feedback requirements, college plans to do as follows:
