#### **Summary of event:**

Trees contribute to their environment over long periods of time by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe. The NSS unit of the institute had organized Tree Plantation on 28<sup>th</sup> Nov, 2021 at Education Dr Shivajirao Kadam College of Pharmacy Kasabe Digraj. Volunteers planted 70 trees from 10.00 am to 12.30 pm Dr. S. M. Patil, Principal, SKCP Kasabe Digraj.

#### **Summary of event:**

A beautiful initiative taken by the Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj Tal-Miraj Dist-Sangli, on this Clean India Campaign. The students proposed taking up an agenda of cleaning the area around the school which is located in Digraj village. Because in this village there is increasing the number of covid and dengue patients, so to avoid or minimize the infection and maintain healthy environment surround the school area students came up with this agenda as a symbolic initiative in regard to Swachhata Abhiyan during covid pandemic. On the morning of that very day students of B. Pharmacy class Second year started their work of cleaning the village area.

**Summary of event:**

SKCP, Kasabe digraj, has conducted an “Awareness program on Prevention of Heart Attack & Stroke” on 29th September 2020 on the eve of “World Heart Day” by online mode. As 29th September is “World Heart Day”, it’s a reminder to take care of your heart so that you live a better, longer and more heart-healthy life. Do what it takes to start, to have a healthy heart. The one organ in our body which gives us the real meaning of being alive is our heart.

Name of the Event: Prevention of Heart Attack & Stroke Venue: Online

Mr.S.Joshi, Department of Pharmacology, from our institute is the speaker of the webinar. NSS volunteers joined the webinar and gained knowledge regarding heart diseases. Sir has discussed many topics related to heart, prevention of heart diseases, symptoms, risks, diet to be taken and things to follow daily to be healthy etc.
