Respected Sir/Mam,

With reference to above subject, a student of our college Mr. Harshvardhan V. Patil has successfully completed B. Pharmacy from Dr. Shivajirao Kadam College of Pharmacy K. Digraj in the year 2021.

The student was admitted for B. Pharmacy in the year 2016 which had Shivaji university syllabus and did not have any credit point system but later the student was year down (year: 2017) and then again enrolled in the year 2018, but now the syllabus was change and was as per PCI (Pharmacy Council of India) which consists of credit point system. The PRN for the first two semesters Sem-I and Sem-II of student was i.e. 2016096110 and the PRN was change i.e. 2018101228 after the student was reenrolled according to PCI syllabus for rest of the semesters.

So now due to change in syllabus and credit point system there is error in the result of the student which needs to be corrected so please look into the matter and provide guidance regarding the same.
