INDUSTRIAL EXPERT LECTURE REPORT

• Date of Expert Lecture:	11 th May 2024
• Topic Name:	"Modernizing the Formulation and Process Development: A Transition to Continuous Manufacturing" and "Cell and Gene Therapy: A New Era in the Pharmaceutical Industry."
• Details of Speaker	Dr. Pritam Kanagale, General Manager, Global Manufacturing Science and Technology (MSAT), Johnson and Johnson Innovative Medicine, Mumbai

❖ **Attended by:**

- Principal, Dr. K. A. Wadkar sir
- Vice Principal, Dr. S. S. Awati, Dr. P. A. Jadhav
- Faculty members
- All students of M Pharm and B. Pharm

❖ **Co-ordinated by:**

- **Dr. Sarika P. Patil**
Associate Professor, Department of Pharmaceutical Chemistry

❖ **Summary of the Guest Lecture:**

Objective:

The objective of the expert lecture was to explore the advancements in pharmaceutical manufacturing, particularly the transition to continuous manufacturing, and to delve into the emerging field of cell and gene therapy, highlighting their significance in shaping the future of the pharmaceutical industry.

Highlights:

Dr. Pritam Kanagale provided a comprehensive overview of modernizing formulation and process development, emphasizing the paradigm shift towards continuous manufacturing.

The lecture elucidated the benefits of continuous manufacturing in terms of efficiency, quality control, and scalability, compared to traditional batch manufacturing methods.

Dr. Kanagale discussed the challenges and opportunities associated with continuous manufacturing, stressing the importance of technological innovation and regulatory compliance.

Dr. Shivajirao Kadam College of Pharmacy, Kasbe Digraj, Sangli.

3.2 – INNOVATION ECOSYSTEM

INDUSTRIAL EXPERT LECTURE REPORT

The session delved into the transformative potential of cell and gene therapy in revolutionizing healthcare, offering personalized treatments and targeted therapies for various diseases.

Dr. Kanagale shared insights into the pre-formulation, formulation, and process development of various drug products, catering to global markets' diverse needs.

Attendees gained valuable knowledge about Dr. Kanagale's extensive industry experience, international research collaborations, and contributions to academia and scientific literature.

The interactive Q&A session provided participants with the opportunity to engage with Dr. Kanagale, further exploring the topics discussed and gaining deeper insights into modern pharmaceutical manufacturing and therapy approaches.

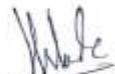

Conclusion:

The expert lecture by Dr. Pritam Kanagale offered a compelling exploration of modernizing formulation and process development, alongside the transformative potential of cell and gene therapy in the pharmaceutical industry. Attendees gained valuable insights into the latest advancements, challenges, and opportunities in these dynamic fields, inspiring further exploration and innovation. He shared his expertise and showered his mentorship. Sir has delivered enlightening session to the people who were not aware about many eye-opening facts. Also, Sir addressed many questions raised by participants in simple words.

Mrs. P. P. Patil mam delivered the vote of thanks and concluded the session.

INVITATION LETTER

To,

Dr. Pritam Kanagale,

General Manager of Global Manufacturing Science and Technology (MSAT)
Johnson and Johnson Innovative Medicine, Mumbai.

Subject: Invitation to Expert Lecture on "Modernizing the Formulation and Process Development: A Transition to Continuous Manufacturing" and "Cell and Gene Therapy: A New Era in the Pharmaceutical Industry."

Respected Sir,

On behalf of the Teerthankar Education Society's, Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, we are honored to invite you to speak at the Industrial expert lecture organized for all faculty members and students on topics "Modernizing the Formulation and Process Development: A Transition to Continuous Manufacturing" and "Cell and Gene Therapy: A New Era in the Pharmaceutical Industry."

The lecture is scheduled to take place on May 11, 2024, starting from 11:30 AM onwards, at Lecture Hall No. 3 of Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj.

We believe that your esteemed presence will enrich the event and contribute to meaningful discussions on these critical topics. Your insights and expertise will be highly valued by our students and faculty.

We believe your voice would be a critical addition to the institute stage.

Thank you in advance for your consideration, and we very much look forward to hearing from you.

Thanking You,
Yours

Expert Lecture organized on: 11th May 2024
Time of presentation: 11.30 am onwards

Dear Dr. Pritam Kanagale,

We are writing to express our heartfelt gratitude for your invaluable contribution as a speaker in industrial expert lecture on topic "Modernizing the Formulation and Process Development: A Transition to Continuous Manufacturing" and "Cell and Gene Therapy: A New Era in the Pharmaceutical Industry." Your participation has significantly enriched the academic environment and has been immensely beneficial to our students and faculty members alike.

Your profound insights, extensive knowledge, and captivating presentation style left a lasting impression on all attendees. Your ability to elucidate complex concepts in pharmaceutical manufacturing and elucidate the potential of cell and gene therapy was truly commendable. Your dedication to innovation and excellence has undoubtedly inspired our aspiring pharmacists and researchers to pursue new horizons in their academic and professional journeys.

Once again, thank you for your exceptional contribution to our institution. We sincerely hope to have the privilege of welcoming you back to our campus in the future for more enriching interactions and collaborations.

With warm regards and sincere appreciation,
Thanking You.
Yours

Report

Topic	Research Methodology
Date	15 January 2024
Venue	Classroom No. 2 Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, Sangli
Name of Speaker	Dr. Sandip B. Patil
Organizer	Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, Sangli
No. of Participants	30

On 15th January 2024, Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, organized an insightful seminar on the topic "**Research Methodology**", delivered by Dr. Sandip B. Patil, a renowned expert in the field of pharmaceutical research. The session was designed to provide students with a deeper understanding of the research process, including the various methods, tools, and techniques essential for conducting scientific studies in the field of pharmacy. It offered valuable insights into the importance of systematic research in shaping scientific knowledge and enhancing career prospects in the field of research.

A significant portion of the seminar was dedicated to exploring various types of research and how each type serves different purposes and how researchers can choose the appropriate method based on their research objectives.

A Key Highlights:

1. Research designs and sampling method
2. Statistical tools and data analysis
3. Ethical Considerations in Research
4. Writing Research Papers and Publishing
5. Career Opportunities in Research

Notice

Webinar on Drug Regulatory Affairs

To all Third-Year, Final-Year B. Pharm, and M. Pharm Students we are pleased to inform you that our college will be hosting a webinar on Drug Regulatory Affairs on 27/10/2023 at 2:30 PM. This is a valuable opportunity to gain insights into the regulatory aspects of the pharmaceutical industry.

Webinar Details:

Speaker: Miss. Prerana Husukule

Date: 27/10/2023

Time: 2:30 PM

Mode of conduct: Hybrid (online via Google Meet + offline)

Venue: Lecture Hall No. 1

We encourage all interested students to attend this informative session and expand their knowledge in this critical field. We look forward to your active participation in this webinar. If you have any questions or need further information, please do not hesitate to contact us.

Number of Participants	105

Summary of Seminar:

Ms. Prerana Husukale shared information regarding regulatory affairs, its functions, working and its importance in Pharma industry. The overall session was very informative and students gained knowledge of regulatory department in Pharma. A total 98 participants from our college attended the seminar. The new knowledge gained by our students will help them in future.

Key Points:

- 1) Regulatory Fundamentals
- 2) Current Regulatory Challenges
- 3) Regulatory Submission and Approval Process
- 4) Emerging Trends

Report

Topic	Intellectual Property Rights
Date	22 December 2023
Venue	Classroom No. 2 Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, Sangli
Name of Speaker	Mr. Sachin Lokapure
Organizer	Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, Sangli
No. of Participants	50

On 22nd December 2023, Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, organized a seminar on the topic "Intellectual Property Rights" (IPR), delivered by Mr. Sachin Lokapure, an expert in the field of intellectual property. The session aimed to enhance students' understanding of IPR, its importance in the pharmaceutical and other industries, and the legal aspects that govern intellectual property. The lecture was attended by students and faculty members of the institution, with active participation and keen interest shown by the attendees. He delivered session on basics of patents as per Indian Patent act 1970 and how to draft and file a Patent. He also gives views of exam of Patent agent and career prospective in chemical and pharmaceutical sector after clearing this exam.

The lecture was an enriching experience for the students and faculty alike, as it provided comprehensive insights into the critical role of intellectual property rights in modern industries, especially pharmaceuticals. The interactive session allowed students to clarify their doubts and gain a deeper understanding of IPR's practical applications.

A Key Highlights:

1. Introduction to Intellectual Property Rights (IPR)
2. Patents in Pharmaceutical Industry
3. Role of Trademarks
4. Copyrights and Trade Secrets
5. Career Opportunities in IPR
6. Global Perspective on IPR

Report on Skill development session

A session was organized at SKCP Kasbe Digraj on 20/03/2024, for final year B. Pharm Students and M. Pharm students of the college. To improve student competency for placement, skill development session was conducted. By leading training programs using the most recent training approaches, a committed team of instructors prepared our students for job application, interview skills such as body language, communication skills, dressing sense etc.

The Pre-Placement Training Program that our college provided included the entire set of skills needed to successfully navigate a recruitment drive. The workshops several components include: Effective CV writing skills, Career opportunities after Pharmacy and Effective communication skills.

Key highlights:

1. **Soft Skills Training:** Recognizing the importance of soft skills in professional development, the session included modules on communication skills, interpersonal skills, time management, and leadership. Through interactive exercises, role-plays, and case studies, students were encouraged to hone their soft skills and enhance their overall employability.
2. **Mock Interviews and Resume Building:** To prepare students for the recruitment process, mock interview sessions were conducted wherein students received constructive feedback on their interview performance. Additionally, guidance was provided on resume building, cover letter writing, and effective job search strategies to help students present themselves effectively to potential employers.

In conclusion, the skill development session conducted by the Training and Placement Cell of the SKCP, Kasabe digraj proved to be instrumental in empowering students with the skills and knowledge necessary for a successful career in the pharmaceutical industry. By bridging the gap between academia and industry and fostering holistic professional development, the session contributed significantly to enhancing students' employability and career prospects. B. Pharm Final year and M. Pharm students attended the workshop from 11.00 am to 5.00 pm.

NOTICE

To	Third year and Fourth year b. Pharmacy
Subject	Seminar on 'Skills Development in Financial Aspects in Pharma Profession' by Mr. Shantanu Kale

Dear Students,

We are pleased to announce an upcoming seminar on '**Skills Development in Financial Aspects in Pharma Profession**' conducted by Mr. Shantanu Kale, a distinguished financial advisor renowned for his expertise in the pharmaceutical industry.

Date: Wednesday 22 Nov.2023and Thursday 23 Nov 2023
Venue: Classroom no. 2. Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, Sangli
Organizer: Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, Sangli

The seminar aims to provide valuable insights into the financial aspects specifically tailored to the pharmaceutical profession. Mr. Shantanu Kale will cover essential topics such as financial literacy, investment strategies, and practical applications through real-life case studies.

This seminar presents an excellent opportunity for students aspiring to build a career in the pharmaceutical field to understand the significance of financial knowledge in making informed decisions and fostering professional growth.

All students are encouraged to attend this informative session and benefit from Mr. Shantanu Kale's expertise in the realm of financial aspects in the pharmaceutical industry.

We look forward to your active participation and engagement during this seminar.

Regards,

**Report of seminar on
'Skills Development in Financial Aspects in Pharma Profession'
by Mr. Shantanu Kale**

Date: Wednesday 22 Nov.2023 and Thursday 23 Nov 2023

Venue: Classroom no. 2, Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, Sangli

Organizer: Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, Sangli

The seminar on 'Skills Development in Financial Aspects in Pharma Profession' conducted by Mr. Shantanu Kale, a renowned financial advisor, at Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, Sangli, was an enriching and informative session.

Key Highlights:

- 1. Financial Literacy in Pharma Industry:** Mr. Shantanu Kale shed light on the importance of financial literacy in the pharmaceutical sector, emphasizing how understanding financial aspects can significantly impact decision-making and career growth.
- 2. Investment and Financial Planning:** The session delved into investment opportunities and strategies tailored to the pharmaceutical profession. Attendees gained insights into planning their finances, including savings, investments, and managing risks.
- 3. Case Studies and Practical Applications:** Mr. Kale provided real-life case studies relevant to the pharmaceutical field, offering practical scenarios where financial decisions played a crucial role. This practical approach enhanced the participants' understanding of financial concepts in a professional context.
- 4. Interactive Q&A Session:** The seminar included an interactive Q&A segment where attendees could engage with Mr. Shantanu Kale, seeking clarifications and advice on financial matters specific to the pharmaceutical industry.
- 5. Networking Opportunities:** The event provided an excellent platform for networking among aspiring pharmacists, professionals, and Mr. Shantanu Kale himself, fostering connections and the exchange of ideas within the industry.

The seminar was well-structured and received positive feedback from the attendees. Mr. Shantanu Kale's expertise, coupled with his engaging presentation style, made complex financial concepts accessible to the audience. The session not only enhanced financial knowledge but also inspired attendees to consider the financial implications in their pharmaceutical careers.

Overall, the seminar on 'Skills Development in Financial Aspects in Pharma Profession' by Mr. Shantanu Kale was an educational and valuable experience, contributing significantly to the professional development of the participants at Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, Sangli.

NOTICE

Subject: Invitation to Attend Seminar on "Medical Coding: Unlocking the Future of Healthcare."

Dear students,

We are excited to inform you about an upcoming event that could significantly enhance your knowledge and career prospects in the field of healthcare. It is with great pleasure that we invite you to attend a seminar on "Medical Coding: Unlocking the Future of Healthcare."

We have secured renowned expert in the field **Mrs. Tejaswini Umar Kadam, MRR, Advantmed.LLP India** who will be sharing their knowledge and experiences, allowing you to gain a comprehensive understanding of the subject matter. This seminar is open to all students interested in healthcare and those looking to explore potential career paths in medical coding.

Seminar Details:
Date: 21/10/2023 (Saturday)
Time: 11.00am to 12.00pm
Location: [Lecture hall no. 1]
Mode of conduct: Hybrid mode (online + offline)

Medical coding is a crucial aspect of healthcare administration and plays a vital role in the accurate billing and record-keeping of medical procedures. This seminar will provide you with valuable insights into the world of medical coding, its importance in the healthcare industry, and the opportunities it offers for a rewarding career.

The seminar will cover the following key topics:

- Introduction to Medical Coding
- The Role of Medical Coders in Healthcare
- Coding Systems and Guidelines
- Career Opportunities in Medical Coding
- Question & Answer Session with the Experts

We encourage you to take advantage of this unique opportunity to broaden your horizons and explore the exciting world of medical coding. Your participation will not only enrich your knowledge but also open doors to potential career paths.

We look forward to your active participation in this seminar. If you have any questions or need further information, please do not hesitate to contact us.

Sincerely,

PRINCIPAL,
Dr. Shivajirao Kadam
College of Pharmacy
Kasabe-Digraj, Sangli.

Report on Webinar on 'Medical coding: Unlocking future of Healthcare'

Introduction:

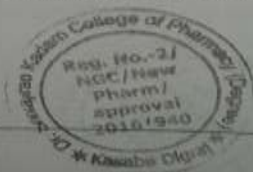

On 21-10-2023 Saturday, a webinar on the topic of 'Medical coding: Unlocking future of Healthcare' was conducted. The webinar was organized by Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, Sangli and featured by Mrs. Tejaswini U. Kadam MRR, Advantmed LLP, India, a renowned expert in the field of medical coding. The purpose of this report is to summarize the key takeaways and highlights of the webinar.

Webinar Overview:

The webinar aimed to provide a comprehensive understanding of medical coding in the context of healthcare documentation. It was designed for healthcare professionals, medical coders, students, and anyone interested in the intricacies of medical coding. The webinar addressed various aspects of medical coding, including its importance in healthcare, common challenges, coding systems, and the impact of accurate coding on healthcare administration. Total 120 students participated in the webinar offline and more than 30 students joined online.

Key Topics Covered:

- **Introduction to Medical Coding:** The speaker began by providing an overview of what medical coding is and why it is essential in healthcare. They emphasized the role of medical coders in translating medical diagnoses and procedures into universally recognized codes.
- **Coding Systems:** The webinar discussed various coding systems, with a focus on ICD, CPT, and HCPCS. The speaker explained the purpose and usage of each system, helping attendees understand their differences and applications.
- **Importance of Accurate Coding:** The speaker highlighted the significance of accurate medical coding in healthcare. They explained how proper coding affects patient care, billing, insurance claims, and data analysis.
- **Common Challenges:** Attendees were informed about the challenges faced by medical coders, such as evolving coding guidelines, frequent updates, and the need for continuous education.

CRITERION 3: RESEARCH, INNOVATIONS AND EXTENSION

3.2 – INNOVATION ECOSYSTEM

- **Impact on Healthcare Administration:** The webinar concluded with an examination of how accurate coding positively influences healthcare administration, cost control, and quality improvement.
- **Q&A Session:** Following the presentation, there was an interactive Q&A session. Attendees had the opportunity to ask questions and seek clarification on specific topics. This segment allowed for deeper engagement and provided valuable insights into the practical aspects of medical coding.

Conclusion:

The webinar on 'Medical coding: Unlocking future of Healthcare' was a highly informative and educational event. Attendees gained a better understanding of the vital role that medical coding plays in healthcare and the impact it has on various facets of the industry. The session facilitated meaningful discussions and interactions, making it a valuable resource for those involved in healthcare and medical coding.

Recommendations:

Based on the success of this webinar, it is recommended that Mrs. Tejaswini U. Kadam MRR, Advantmed LLP, India, continue to organize similar educational events on topics related to healthcare and medical coding. Additionally, the recording of the webinar should be made available to those who couldn't attend, ensuring wider access to this valuable information.

Acknowledgments:

I would like to express my gratitude to Mrs. Tejaswini U. Kadam MRR, Advantmed LLP, for her insightful presentation and to Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, Sangli for organizing this educational webinar. The knowledge and insights gained from this event will undoubtedly benefit healthcare professionals and those interested in medical coding.

Sincerely,

Webinar coordinator

Report

Particular	Career Guidance Session under soft skill development
Topic	Webinar on "Career in Healthcare Industry after Pharmacy Graduation in Europe.
Date	23/09/2023
Name of Speaker and contact details	Mr. Vishwajeet Kokil Market Access Manager Ceramtech GMBH Medical Products Division Plochingen, Germany.
Number of Participants	80

Summary:

A webinar was organized at SKCP Kasbe Digraj. Mr. Vishwajeet Kokil, the market manager, spoke to the college's third- and final-year B.Pharmacy students as well as M.Pharmacy students about employment options and opportunities for higher education overseas, helping pupils prepare for further education abroad.

Mr. Kokil provided thorough information regarding the minimum educational requirements needed to pursue an education abroad, the cost of the entrance exam, and the length of the program. He also went over the informational procedures for admission to prestigious colleges and universities in Europe, the United States, Canada, and Ireland.

The event was organized by Dr. Santosh Gejage and Dr. Harshada Patil, the coordinators of the training and placement department. The meeting was effectively concluded.
