Visit to Central Animal House at

BhartiVidyapeeth Medical College,

Students of M.Pharm (Pharmacology Department)

Sangli, 13th May 2024.

A visit to **BhartiVidyapeeth Central Animal House** was organized on **13th May 2024**. All the information regarding animal house was given and guided by Dr. Kulkarni Sir. The animal house was according to CPCPSEA guidelines and included working corridor, rat room, operation room, breeding room, experiment room, washing room, dirty corridor, record room etc. Rat room contained Wistar albino rat strains. All the cages were labelled with age, sex, number of animals. Experimental room had instruments like plethysmometer, metabolic cages, rat and rabbit holders and other essential materials. The record room had all the records maintained right from daily entrance register, feeding register and forms A, B, C and D, animal health checkup. All the students took active participation by asking doubts, got the chance to observe the animal house and learnt many new things.

We all are thankful to our college for giving us the opportunity to visit central animal house.

Students of M.Pharm (Pharmacology Department)
Sangli, 13th May 2024.**

visit to **BhartiVidyapeeth Human Anatomy Simulation Lab** was organized on 13th May 2024. All the information was given by Dr. Hemlata munjappa about Fidelity and Non-fidelity models where students came to know how medical simulation allows the acquisition of clinical skills through deliberate practice rather than apprentice style of learning, and how simulation tools serve as an alternative to real patients without harming them. Non-fidelity models included catheter insertion model, enema insertion, suturing methods, breast examination model, paediatric models etc. Fidelity models resemble reality and we observed pulse rate, sclera changes in a different disease condition, ECG changes in cases like ischemic disease, cardiac arrhythmia. Some students performed CPR on fidelity model. All students understood the importance of simulation models.

We all are thankful to our college for giving us the opportunity to visit **BhartiVidyapeeth Human Anatomy Simulation Lab**.

VISIT REPORT

Visit to Pharmacology Lab at

**Appasaheb Birnale College of Pharmacy,
South Shivaji Nagar, Sangli 416416**

Student of M. Pharm (Pharmacology Department)

Date-19 June 2023

A visit Pharmacology Lab of Appasaheb Birnale College of Pharmacy, Sangli was organized on 19 June 2023. The **recording of rat heart rate, blood pressure and ECG** was demonstrated by Dr. Tabbasum madam. The Biopac MP35 software was used by mam for the recording of heart rate, blood pressure and ECG of Rat. In this demonstration students learned about how to locate as well as identify the Carotid artery and how to cannulate it. Cannula was inserted in carotid artery for the recording above parameters. It was an direct or invasive method of recording BP & ECG. With the help of Biopac MP35 software students learned parameters related to heart. Students were actively asking questions related to demonstration & gaining knowledge. Students also learned about handling of software & alternative method of recording of above parameters.

We are really thankful to our college for giving us opportunity to visit Appasaheb Birnale College of Pharmacy. A special thanks to respected HOD of pharmacology department Dr. Nilofar Naikwade madam and Dr. Tabbasum madam for excellent demonstration and your time.

B.Sc. (Bachelor of Science), M.Sc. (Master of Science) and Doctorate (Ph. D.) programme are affiliated to the Shivaji University, Kolhapur.

Under the leadership and guidance of Dr. Patangrao Kadam, college has made its mark in Sangli region and it has developed a state of the art infrastructure and very well equipped research labs. Now BVDPKM has come to the fore-front as one of the leading Science colleges of Sangli within a span of 38 years. It has provided several competent and well-trained science professionals to the various fields of research and development, industries, teaching and many more.

B) Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj Sangli.

Teerthankar Education Society has been working in the field of education for decades. People of Miraj, Sangli and surroundings have always been appreciative and supportive to the efforts of the Sanstha.. Our vision is to create future leaders who manage and create powerful organizations in the emerging corporate landscape. The curricula of all over long term programmes are industry oriented based on best global practices. Academic rigor is reflected in the course design and delivery of these programmes.

Under the leadership and guidance of Mr. R. J. Patil commitment to bring, Professional education centralized in corporate cities poor students of rural area are deprived from this on economy ground. Hence it's our attempt to take the Pharma professional education to doorsteps as village students, so that pharmacy education can be made more affordable and more accessible to them. We are running it as not only of profit institution but also charity institute.

3) COOPERATIVE RELATIONSHIP:

BVDPKM and DSKCPKD agree to form a cooperative relationship under this MoU for the purpose stated above. In furtherance of this agreement:

- Promoting interaction between BVDPKM and DSKCPKD in biologically important contents, authentication of medicinal plants, collection and extraction of medicinal plant etc.
- Sharing knowledge and capability in the concerned areas for mutual benefits and become trusted partners in the area of knowledge enrichment.
